Nsamba Abbas Matovu
Board Chairman, BSCS

CHAIRMAN'S MESSAGE

Dear Friends and Supporters,
Greetings!

As we reflect on the milestones of Bravo Shoes Community Support (BSCS) in 2024, I am immensely proud of our unwavering commitment to empowering marginalized families and fostering sustainable community development. Our work has been a beacon of hope for countless children, families, and individuals who face significant socio-economic challenges.

Through our Educational Program for Children, BSCS has continued to combat school dropout rates, particularly among girls, by ensuring access to quality education. This initiative has not only given children the chance to build a better future but has also contributed to breaking the cycle of poverty that hinders many families. The story of Henry Ssuubi Kiyimba is a testament to the power of resilience and education, underscoring the importance of our interventions in supporting students through scholarships and essential educational resources.

The Economic Empowerment Program for Families has equipped struggling parents, especially single mothers, with vocational skills such as sewing, horticulture, and entrepreneurship. By fostering financial independence, we ensure that families can meet their basic needs and sustain their children's education.

In addressing health and well-being, our Health & Nutrition Program has provided essential health education, maternal and child health support, and resources to combat malnutrition and infectious diseases. Our engagement in the Walk Campaign for Children with Disabilities highlighted our dedication to inclusion, assisting amputees with prosthetic accessibility and advocating for their rights.

This year, BSCS also played a pivotal role in ensuring that young girls have access to professional education. Through our intervention, three young women have been empowered to join nursing school, reinforcing our belief that education is a powerful tool for transformation.

Our efforts have not gone unnoticed. BSCS received global recognition, with our Founder / Executive Director, Yesigye Brian Bravo, being named among the Top 100 Most Impactful Change Makers of 2023 in Africa and our organization securing the Excellence in Community Service Award at the Mentorship and Volunteerism Excellence (MVE) Awards in Ghana. Additionally, our impactful Corporate Social Responsibility (CSR) efforts earned us a nomination for the U.S. Corporate Citizenship Awards in Washington, D.C.

The stories of Shakur Omiat, a young boy from Pallisa who returned to school despite cultural and financial obstacles, and Angela Muzaki, an aspiring teacher from Bulambuli's mountainous villages, remind us of the challenges that remain. However, they also inspire us to continue our mission with greater resolve.

Looking ahead, BSCS remains committed to expanding our programs, reaching more vulnerable communities, and strengthening partnerships to create lasting change. Our work is far from done, but with the continued support of our stakeholders, donors, and well-wishers, we can continue to build a brighter and more inclusive future for all.

I extend my deepest gratitude to everyone who has contributed to our journey. Together, we are transforming lives, one step at a time.

Sincerely,

Nsamba Abbas Matovu
Chairman,
Bravo Shoes Community Support (BSCS)

BRAVO SHOES COMMUNITY SUPPORT (BSCS): A BRIEF INTRODUCTION

Bravo Shoes Community Support (BSCS) is a non-profit organization officially registered in February 2022, with its headquarters based in Kampala, Uganda. Led by Mr. Brian Yesigye Bravo, the Founder & Executive Director of Bravo Shoes Company, BSCS is dedicated to enhancing the lives of vulnerable children in Uganda by addressing critical issues such as lack of access to education and poverty within their families.

The organization works closely with the government and various stakeholders to strengthen communities and focus on the needs of children, aiming to prevent unnecessary family separations. BSCS adopts a holistic approach to tackling these challenges, emphasizing educational support and initiatives that promote economic empowerment.

BSCS operates under a dual-structure framework: the Board of Directors, which develops strategic plans and policies, and the Management Team, led by the Executive Director (ED), which acts as the Secretariat to oversee the execution of programs and initiatives. These bodies work collaboratively to achieve the organization's objectives.

At the heart of BSCS's mission is the commitment to creating a safe, nurturing environment for every child, protecting their rights, and amplifying their voices. Through partnerships with government agencies and other organizations, BSCS seeks to empower communities to prioritize children's well-being and address the interconnected issues of poverty and vulnerability in Uganda.

BSCS: COMPOSITION OF BOARD AND MANAGEMENT

Board of Directors

1. Nsamba Abbas Matovu - Chairman, BSCS
2. Bashirah Babala Papa - Secretary
3. Baguma Naphtal - Member
4. Bright Anthony Malele - Member
5. Dawn Adams - Member
6. Ndaaba Agnes - Member
7. Miriam Cherukut - Member
8. Regina Titi Seyire - Member
9. Yesigye Brian Bravo - Member
(Also Founder & Executive Director, BSCS)

Management Team

1. Yesigye Brian Bravo - Founder / Executive Director
2. Bashirah Babala Papa - Associate Legal Secretary
3. Kabajuma Doreen - Associate HR Manager
4. Nakitto Nina Denise - Associate Finance Manager
5. Tumwesigye Ronald - Associate ICT Manager
6. Martha Namukaaya Nakato - Associate Programs Manager
7. Masika Harriet - Associate Administrator
8. Aloysious Kasoma - Associate Communications Manager
9. Opuva Vanessa - Associate - Accountant

BSCS STRATEGIC PROGRAMS: A BRIEF OVERVIEW

Bravo Shoes Community Support (BSCS) is dedicated to uplifting the most marginalized families through targeted socio-economic interventions. Their work includes identifying and assisting vulnerable families with essential guidance, material support, and specialized programs designed to foster long-term improvements in quality of life.

KEY PROGRAMS:

1. **Educational Program for Children:** BSCS combats high school dropout rates in Uganda by providing access to quality education, with a focus on disadvantaged children and girls. This initiative promotes education as a tool to break the cycle of poverty, enhance awareness of rights, and prepare children for active societal participation.
2. **Economic Empowerment Program for Families:** This program equips struggling parents, especially single mothers, with vocational skills (e.g., sewing, horticulture, and entrepreneurship) to achieve financial independence, meet basic family needs, and ensure children's education.
3. **Health & Nutrition Program:** Addressing malnutrition and healthcare challenges, BSCS provides health education and resources to improve maternal and child health, combat infectious diseases, and promote better nutrition and well-being within communities.
4. **Extension Activities:** BSCS engages in cultural, historical, and social events, such as Christmas, Heroes Day, and Martyr's Day, to strengthen community bonds, foster unity, and promote cultural heritage.

By focusing on education, economic stability, health, and community engagement, BSCS empowers families to overcome socio-economic barriers, achieve self-reliance, and build a sustainable future.

NOTE: Detailed information about the BSCS Strategic Programs can be found in [Annexure](#), pages 21 to 26 of this report.

BSCS POTENTIAL DONORS

A significant portion of BSCS programs and activities is supported by funds and donations from its parent company, Bravo Shoes Ltd., based in Kampala, Uganda. However, a considerable share of its financial resources comes from contributions made by diverse individuals and stakeholders. As noted earlier, in 2024, BSCS recorded a total income of UGX 543,664,100, primarily derived from contributions and donations.

BSCS extends its heartfelt gratitude to all individuals and stakeholders for their generous financial and in-kind support, which plays a vital role in sustaining essential programs and activities. The organization deeply values every contribution, donation, and form of assistance that helps achieve its mission. Below is a tentative list of our esteemed donors for the past and current year (2024), to whom we express our sincere appreciation for their generosity and support:

1. Dawn Adams, England, UK
2. Regina Seyire Titi, Ann Arbor, Michigan, USA
3. Agnes Ndaaba, Kampala- Uganda
4. Home to Africa Tours & Travel Company
5. Carolyn Gill
6. Maria Lopez
7. Chavze Antonio Armstead
8. Sarah Odong
9. Mark L Horton
10. Nelly Mutesi
11. Shelby Mills
12. Emmy Kasujja
13. Allan Buyinza

IMPACT OF BSCS PROGRAMS AND ACTIVITIES (2022–2024)

IMPACT OF BSCS ACTIVITIES

The Bravo Shoes Community Support (BSCS) has made a significant impact in improving the lives of vulnerable children and families in Uganda through its various community-based programs and interventions. Below are the key areas of impact:

1. Child Education & Academic Support

- Facilitated the enrollment of numerous underprivileged children into educational institutions.
- Provided essential school supplies, tuition assistance, and follow-ups to ensure consistent school attendance.
- Focused on advancing educational opportunities for girls, addressing gender disparities in education.
- Supported vocational and skills training programs for youth to enhance future employability.

2. Health & Well-Being Initiatives

- Implemented health awareness programs, focusing on preventive healthcare and hygiene.
- Assisted vulnerable families in accessing medical care and essential health services.
- Provided nutritional support to children at risk of malnutrition.

3. Women's Empowerment Programs

- Organized skill development training sessions to promote self-sufficiency among women.
- Created income-generating opportunities for women through entrepreneurship programs.
- Raised awareness on women's rights and gender equality within communities.

4. Economic Empowerment & Livelihood Support

- Provided financial assistance and capital to struggling families for small business startups.
- Offered business mentorship and capacity-building workshops for economic sustainability.
- Helped families establish sustainable income sources, reducing dependency on external aid.

5. Regional Outreach & Community Engagement

- Expanded support to various regions, including West Nile, Central, South-Western, and Eastern Uganda.
- Worked closely with local communities to understand and address their unique challenges.
- Strengthened partnerships with stakeholders, donors, and community members for long-term impact.

BSCS has played a transformative role in uplifting vulnerable families by ensuring access to education, improving healthcare, empowering women, and promoting economic sustainability. Through its continued commitment, BSCS strives to create lasting, positive change in Ugandan communities.

BSCS PROGRAMS AND ACTIVITIES - 2024

Henry Ssuubi Kiyimba's remarkable journey from adversity to triumph embodies the resilience of a young man determined to rise above his circumstances. Born in Mpigi District, Uganda, Ssuubi faced significant challenges but emerged as a beacon of hope, earning a first-class engineering degree from Makerere University and becoming a valued contributor at Uganda Baati, a reputable regional company.

His story first garnered public attention when, as a freshman at Makerere, he was mocked on social media for carrying an old metallic suitcase. This seemingly mundane item was more than a suitcase—it was a family heirloom, passed down from his mother, Rose Nalwanga, a teacher who had used it during her days at the National Teachers College. Unfazed by the ridicule, Ssuubi embraced the box as a symbol of his roots, resilience, and his mother's enduring sacrifices.

Ssuubi's journey to Makerere University was fraught with financial difficulties. His mother, a single parent of eight, worked tirelessly as a teacher while supplementing her income by selling avocados and collecting firewood. Despite juggling loans from banks, microfinance institutions, and local savings groups, she struggled to meet the family's needs. When Ssuubi received his university admission, she borrowed money to cover initial costs, trusting him to manage it wisely. With a Ush2 million high school fees debt threatening to withhold his UACE pass slip, Ssuubi's situation seemed dire. However, support poured in from Bravo Shoes Community Support Organisation (BSC) and generous well-wishers, who helped clear his debts and provided essentials like bedding, a laptop, and clothes. The turning point came when he earned a full scholarship to pursue his dream course at Makerere, solidifying his path to success.

The metallic box, ridiculed by peers on his first day, held more than belongings—it carried memories of struggle and hope. It had witnessed his mother's educational journey decades earlier and now accompanied him on his own. When his siblings mocked the box, Ssuubi's quiet determination shone through. "Let them laugh," he said. "When Mom sends me money, I'll store my purchases here." What began as a source of ridicule became a powerful emblem of his family's resilience and resourcefulness.

FROM MOCKERY TO MASTERY:
THE RESILIENT JOURNEY OF HENRY SSUUBI KIYIMBA
(Contd...)

Beyond his personal achievements, Ssuubi's story sheds light on the broader struggles faced by boys in Uganda. Education Minister Janet Museveni has expressed concern over the increasing dropout rates among boys, noting that while girls are increasingly completing primary education, boys are often left behind. In response, initiatives like the Rotary Club of Uganda's mentorship programs aim to uplift young boys through skill development and education.

These programs, launched in areas like Naguru, Bukoto, and Kamwokya, focus on equipping boys with practical skills in knitting, tailoring, hairdressing, and entrepreneurship. With over 115 Rotary clubs and 111 Rotaract clubs involved, the initiative seeks to create opportunities and foster a mindset change in marginalized communities. Leaders like Edith Kakuba and Jeff Ssekandi emphasize the need to address the unique challenges faced by boys, ensuring their inclusion in Uganda's socio-economic progress.

Today, Ssuubi stands as a testament to the transformative power of perseverance and the enduring influence of a mother's love. His story is one of triumph against all odds, fueled by the empowering words of his mother, who often reminded him, "Hope never disappoints." From a ridiculed freshman with an old metallic box to a respected engineer, Ssuubi's journey exemplifies how resilience, community support, and a commitment to education can break the cycle of poverty.

The once-dilapidated metallic box now symbolizes strength, perseverance, and the unyielding bonds of family. In its humble frame lies the story of a boy who rose above adversity to carve out a brighter future—for himself, his family, and the generations to come.

BSCS PROGRAMS AND ACTIVITIES - 2024

In the rural Pallisa District of Uganda, where poverty and entrenched cultural norms hinder educational progress, the story of 7-year-old Shakur Omiat serves as a symbol of hope and resilience. Shakur had dropped out of school and gained brief viral attention for collecting plastic bottles. When the Bravo Shoes Community Support Organization (BSC) intervened, they discovered him assisting his grandmother, Christine Asio, in scaring away birds in the fields—a common practice in the area that keeps many children out of school. **The Cost of Traditional Practices**

The rice-growing season in Pallisa brings both sustenance and hardship to local families. Children, like Shakur, are often pulled out of school to work as human scarecrows in rice gardens. The failure of artificial scarecrows has forced many parents to rely on their children to guard crops from birds. This practice has become a significant factor in the district's high dropout rates, according to Aggrey Paul Okwakol, Senior Community Development Officer of Pallisa Town Council. "During the rice-growing season, many children dodge school to earn a living in the rice fields. Poverty, irresponsible parenting, and negative cultural norms perpetuate this cycle," Okwakol explained.

SHAKUR OMIAT: A YOUNG BOY'S JOURNEY BACK TO SCHOOL AMID PALLISA'S CHALLENGES (Contd...)

BSCS PROGRAMS AND ACTIVITIES - 2024

The situation is further exacerbated by teenage pregnancies, early marriages, and a widespread negative attitude toward education. Families facing extreme poverty often see little value in formal schooling, choosing instead to marry off their children for wealth or keep them at home to contribute to household income. As a result, Pallisa District faces significant losses in Universal Primary Education (UPE) capitation grants, with many children failing to complete their Primary Leaving Exam (PLE) cycle. The survey conducted within local communities highlights this alarming trend, showing that government-aided schools struggle to maintain enrollment due to socio-economic pressures.

Local residents echo these concerns. Paul Kossa, a resident of Nansenye, notes that poverty and parents' negative perceptions of education are crippling the district's education standards. "The belief that education offers no immediate benefit prevents many parents from sending their children to school," he said.

Shaine Musa, a Pallisa Taxi Park employee, adds that underage marriages further complicate the situation. "Despite efforts to sensitize the community about the dangers of early marriages, the message hasn't yet taken root," Musa explained.

In the midst of these challenges, organizations like BSC are working to change the narrative. By identifying and supporting children like Shakur, they aim to break the cycle of poverty and illiteracy that plagues Pallisa. With their intervention, Shakur has re-enrolled in school, offering a glimmer of hope for his future and serving as a reminder of the transformative power of education.

Shakur's story is not just about one child's return to the classroom; it highlights the broader need for community awareness and systemic change. Addressing poverty, shifting cultural norms, and prioritizing education are crucial steps toward ensuring that children in Pallisa—and beyond—can dream of a brighter future.

STRUGGLES AND ASPIRATIONS: THE CHALLENGES OF EDUCATION IN BULAMBULI'S MOUNTAINOUS VILLAGES

BSCS PROGRAMS AND ACTIVITIES - 2024

In the remote cliffs of Buwokadala Parish, Bulambuli District, young children like Angela Muzaki dream of a better future despite immense hardships. With limited access to clean water, healthcare, and education, these children face significant barriers to achieving their aspirations of becoming doctors, teachers, and lawyers.

Wokadala Primary School, where Muzaki studies, struggles with a lack of female teachers, inadequate facilities, and high dropout rates, especially among girls. Many are forced to leave school due to poverty, early marriages, and lack of access to menstrual hygiene products. A survey by Bravo Shoes Community Support Organisation (BSC) highlights the urgent need for better infrastructure, more teaching staff, and community support.

Local officials, including the District Community Development Officer and Principal Assistant Chief Administrative Officer, emphasize the need for partnerships to improve education and living conditions. The district lacks vocational schools, forcing many early school leavers into child labor or marriage. Despite these difficulties, the commitment of educators and potential collaborations with organizations like BSC provide hope for change.

BSCS PROGRAMS AND ACTIVITIES - 2024

ANGELA MUZAKI: A YOUNG GIRL'S STRUGGLE FOR EDUCATION IN THE MOUNTAINS

Angela Muzaki, an eight-year-old girl, was born in the mountainous region of Buwokadala Parish, Bumasobo Sub County, Bulambuli district. She lost her parents, Evelyn Namusoba and Francis Woniala, when she was an infant and is now being raised by her aging grandfather, 64-year-old Stephen Masoboni.

Angela's village is nestled amidst steep mountains, isolated from modern civilization. The lack of infrastructure makes access to education and healthcare a significant challenge. The villagers rely on unclean rocky water sources, and schools in the area struggle with basic amenities.

Despite these hardships, Angela remains resilient. The cliffs and unpredictable rains have shaped her childhood, and she has learned to navigate the treacherous mountain paths out of necessity. She attends Wokadala Primary School, which faces numerous difficulties, including a lack of clean water, insufficient resources, and no female teachers. The absence of female role models makes it particularly challenging for girls like Angela, especially as they grow older and face issues related to puberty.

Angela dreams of becoming a teacher, but she is uncertain if she will achieve her goal. Many girls in her village drop out of school due to poverty, early marriages, and the unavailability of sanitary products. Her two older sisters were forced to leave home or marry once they turned 18, a fate she fears may await her as well.

Despite these challenges, Angela continues to pursue her education, determined to overcome the barriers that stand in her way. Her story reflects the broader struggles faced by children, especially girls, in remote areas, highlighting the urgent need for better educational facilities, role models, and community support to ensure a brighter future for them.

BSCS PROGRAMS AND ACTIVITIES - 2024

BSCS ACTIVELY ENGAGES IN WALK CAMPAIGN TO EMPOWER CHILDREN WITH DISABILITIES

Traffic accidents, particularly boda boda (motorcycle taxi) crashes, have contributed significantly to the number of amputees in Uganda. In 2022 alone, 1,422 people died in boda accidents, with thousands more sustaining serious injuries. The growing number of amputees underscores the urgent need for assistive devices.

The Amputee Self Help Network Uganda (ASNU) organized a two-day event aimed at supporting amputees across the country. The initiative, held from April 5th to April 7th, featured an 80-kilometer walk from Kampala to Jinja, culminating in an amputee peer support camp. The event also included various activities such as tree planting and painting zebra crossings to promote road safety and environmental conservation. The core objective was to raise funds through the Prosthetic Accessibility Fund (PAF) to help amputees acquire and maintain prosthetic limbs, as well as to cover surgeries for those in need. Participants contributed UGX 5,000 per kilometer by walking, riding, or driving.

Alex Munyambabazi, CEO of ASNU, emphasized that the initiative not only aimed at fundraising but also sought to raise awareness on road safety and disability inclusion. Uganda has an estimated 10,000 – 15,000 amputees, many of whom lack access to prosthetic limbs due to high costs and reliance on imported materials or donations.

BSCS PROGRAMS AND ACTIVITIES - 2024

BSCS ACTIVELY ENGAGES IN WALK CAMPAIGN TO EMPOWER CHILDREN WITH DISABILITIES (Contd...)

Aloysious Kasoma, Associate Communications Manager at Bravo Shoes Community Support Organisation (BSCS), expressed enthusiasm for the Walk Campaign, emphasizing BSCS's commitment to supporting children with disabilities. He highlighted the alignment between BSCS, ASNU, and the United Nations Sustainable Development Goals (SDGs), which focus on quality education, clean water, sanitation, and gender equality. By actively participating in this initiative, BSCS aims to empower children with disabilities, protect their rights, and advocate for their voices, reinforcing its dedication to creating a more inclusive and supportive environment.

The Prosthetic Accessibility Fund aims to bridge this gap by providing artificial limbs, enabling amputees to regain independence and participate fully in daily life. The initiative also ensures that children and students with limb loss receive educational support, fostering inclusion and empowerment.

By collaborating with Rotaract Club of Victoria Nile Jinja, Bravo Shoes Community Support Organisation (BSCS), and PEDRINE, ASNU continues to make a meaningful impact on the lives of amputees in Uganda.

BSCS PROGRAMS AND ACTIVITIES - 2024

BSCS EMPOWERS THREE GIRLS TO JOIN NURSING SCHOOL

In a remarkable effort to promote girls' education and skills development, the Bravo Shoes Community Support Organization (BSC) has provided vital support to three young girls, enabling them to pursue careers in nursing. Among them is Najjuuko Justine Mukisa, sister of Henry Ssuubi Kiyimba, who, alongside Juliet Namanda from Mpigi and Grace Tushemereirwe from Rubirizi District, has been granted the opportunity to enroll at the Florence Nightingale School of Nursing and Midwifery in Apac District, Northern Uganda.

For Najjuuko, this opportunity represents more than just an education—it is a chance to break stereotypes and contribute to her family's legacy. The three young women have pledged to extend similar opportunities to others in the future, reinforcing a cycle of empowerment for aspiring healthcare professionals.

During Henry Ssuubi Kiyimba's recent graduation, Brian Yesigye Bravo, the Founder & Executive Director of BSC, publicly announced Najjuuko's upcoming enrollment in nursing school, marking a significant milestone in her journey.

"Where has Justine come? She has been chosen and will join a nursing school in Apac soon," Bravo declared in his speech at the graduation ceremony in Kiswa Village, Kammengo, Mpigi District.

BSCS EMPOWERS THREE GIRLS TO JOIN NURSING SCHOOL (Contd...)

BSCS PROGRAMS AND ACTIVITIES - 2024

The three students expressed immense gratitude for the opportunity provided by BSCS. Juliet Namanda, in particular, was deeply appreciative of being selected among many deserving students and promised to work diligently to achieve the best results.

The Florence Nightingale School of Nursing and Midwifery, founded in 2008, continues to be a pillar of quality nursing education in Uganda. The school has already admitted over 400 students and is steadily expanding its programs and facilities to accommodate the growing demand for nursing education.

In Uganda, more than 80% of nurses and midwives are women, many of whom face significant challenges that impact their ability to perform effectively. Recognizing this, the government lowered the entry requirements for female nursing students a decade ago, aiming to increase enrollment and strengthen the country's healthcare workforce. With organizations like Bravo Shoes Community Support stepping in to bridge financial and social gaps, young women like Najjuuko, Juliet, and Grace now have a chance to transform their lives and make meaningful contributions to the healthcare sector. Their journey is not only a personal victory but also a beacon of hope for future generations of aspiring nurses in Uganda.

BSCS EARNS GLOBAL RECOGNITION FOR IMPACTFUL INITIATIVES

GLOBAL RECOGNITION TO BSCS

Yesigye Brian Bravo, Founder & Executive Director of Bravo Shoes Community Support (BSCS), has been named among the Top 100 Most Impactful Change Makers of 2023 in Africa in recognition of his unwavering commitment to education and community empowerment.

In addition to this prestigious honor, BSCS received the Excellence in Community Service Award at the 5th Mentorship and Volunteerism Excellence (MVE) Awards in Ghana for its dedicated efforts in supporting the education of vulnerable children in Uganda.

Further solidifying its reputation, Bravo Shoes Ltd was also nominated for the U.S. Corporate Citizenship Awards in Washington, D.C., for its impactful Corporate Social Responsibility (CSR) initiatives aimed at improving early education in Bulambuli District, Uganda. Although it did not advance as a finalist, the nomination underscored the organization's meaningful contributions to community development.

The organization's continued success was reaffirmed in 2024 when it once again received the Excellence in Community Service Award at the MVE Awards in Ghana, further demonstrating its dedication to fostering positive change across Africa.

These accolades highlight Bravo Shoes Community Support's ongoing commitment to education, empowerment, and transformative social impact across the continent.

Director, BSCS

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The Companies Act, 2012, and the Uganda Non-Governmental Organisations Act 2016 require Directors to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the Organisation as at the end of the financial year and of its operating results for that year. It also requires the Directors to ensure that the Organisation maintains proper accounting records which disclose with reasonable accuracy the financial position of the Organisation. They are also responsible for safeguarding the assets of the Organisation. The external auditors are engaged to express an independent opinion on the financial statements.

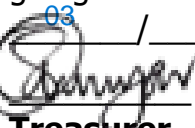

The Directors accept the responsibility for the financial statements which have been prepared using appropriate accounting policies supported by reasonable and prudent judgments and estimates, and in conformity with the International Financial Reporting Standards for Small and Medium – sized Entities (IFRS for SMEs) and in the manner required by the Companies Act, 2012.

The directors are of the opinion that the financial statements give a true and fair view of the state of the financial affairs of the Organisation as at 31 December, 2024 and of its operating results for the year then ended. The Board of Directors further confirm the accuracy and completeness of the accounting records maintained by the Organisation which have been relied upon in the preparation of the financial statements, as well as on the adequacy of the systems of internal financial controls.

Nothing has come to the attention of directors to indicate that the Organisation will not remain a going concern for at least the next twelve months from the date of this statement.

The directors have reviewed the Organisation's cash flow forecast for the year ended on 31 December, 2025 and in light of this review and the current financial position, they are satisfied that the organisation has access to adequate resources to continue in operational existence for the foreseeable future which is twelve (12) months from the date of issue of the financial statements.

The financial statements set out on pages 24 to 33 which have been prepared on the going concern basis. The financial statements were signed on behalf of the Board on

INDEPENDENT AUDITOR'S REPORT

TO THE DIRECTORS OF BRAVO SHOES COMMUNITY SUPPORT LIMITED FOR THE YEAR ENDED 31 DECEMBER, 2024.

Audit Opinion

We have audited the financial statements of Bravo Shoes Community Support Limited which comprise of the statement of financial position as at 31st December 2024, and the statement of income and expenditure, statement of changes in accumulated funds and Statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes as set out on pages 24 to 33.

In our opinion, the financial Statements give a true and fair view of the state of the financial affairs of Bravo Shoes Community Support Limited as at 31st December 2024, and its financial performance and cash flows for the period then ended and are in accordance with International Financial Reporting Standards for Small and Medium-sized Entities (IFRS for SMEs) and the Uganda Companies Act 2012.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and Guidelines issued by the Institute of Certified Public Accountants of Uganda. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are Independent of the organisation in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants (IESBA Code)* together with the ethical requirements that are relevant to our audit of the financial statements in Uganda, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

Management is responsible for other information. The other information comprises of the report from the Organisation and from management, but does not include the financial statements and our independent auditor's report. Our opinion on the financial statements does not cover other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in audit, or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Organisation for the Financial Statements

The Organisation is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement whether due to fraud or error.

In preparing the financial statements, Organisation is responsible for assessing the Organisation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Organisation either intends to liquidate the Organisation or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Organisation's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing (ISAs) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- I. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- II. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organisation's internal control.
- III. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Organisation.
- IV. Conclude on the appropriateness of Organisation's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organisation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organisation to cease to continue as a going concern.
- V. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Report on Other Legal and Regulatory Requirements

As required by the law, we report to you based on our audit, that:

1. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
2. In our opinion, proper books of account have been kept by the Organisation so far as it appears from our examination of those books; and
3. The Organisation's statement of financial position and statement of profit or loss and other comprehensive income are in agreement with the books of account.

The engagement practitioner on the audit resulting in this independent auditor's report is **CPA Hannington Agaba-P0489**

The significant accounting policies and notes on pages 28 to 33 form an integral part of these financial statements.

SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of these financial statements are set out below:

1. Basis of accounting

The fund accountability statement has been prepared using the modified cash basis of accounting. Revenues are recorded when credited in the bank statement. Expenses are recorded when paid except when management provides for those it can reliably estimate and relate to the period under review.

2. Basis of preparation

Statement of compliance

The Financial Statements have been prepared in accordance with and comply with International Financial Reporting Standards for Small and Medium Sized Entities, the Companies Act, 2012 and the NGO Act 2016.

3. Basis of measurement

The Financial Statements are prepared under the historical cost convention as modified by the revaluation of certain property, plant and equipment whenever it happens.

4. The financial and presentation currency

The financial statements are presented in Ugandan shillings (UGX) which is the organisation's functional currency.

5. Provisions and contingencies

Provisions are recognised when the organisation has a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the obligation.

The amount of a provision is the present value of the expenditure expected to be required to settle the obligation, where some or all of the expenditure required to settle a provision is expected to be reimbursed by another party, the reimbursement shall be recognised when, and only when, it is virtually certain that reimbursement will be received if the entity settles the obligation. The reimbursement shall be treated as a separate asset and the amount recognised for the reimbursement shall not exceed the amount of the provision. If an entity has a contract that is onerous, the present obligation under the contract shall be recognised and measured as a provision.

SIGNIFICANT ACCOUNTING POLICIES Continued...

6. Property, Plant and Equipment

Items of property and equipment cost is expensed to the statement of income and expenditure in totality in the year of acquisition. An assets schedule is maintained tracking the usage of assets overtime. A capital fund account reflecting the net book value is held to counter balance net book asset net book value. The asset information is held in the asset register which is regularly updated to provide information for decision making.

Depreciation is charged on a reducing balance basis at rates calculated to write off the cost of each asset to its residual value over its expected useful life as follows but this is not charged to the statement of income and expenditure as the organisation adopted cash basis accounting:

Computers and accessories	25.00%
Furniture and fittings	12.50%
Equipment	20.00%

7. Taxation

The Organisation is registered as a non-profitable organisation whose objective is to mobilize, sensitize, train and bridge the gap between the vulnerable communities and individuals through provision of education and other social support.

8. Cash and cash equivalents

Cash and cash equivalents comprise cash at hand and demand deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value. These are initially and subsequently recorded at fair value.

9. Income

Income comprises of grants from donors, Membership subscriptions and interest received on bank balances which is recognised when received by the organisation and deposited in its bank account.

10. Translation of foreign currencies

Foreign currency transactions if any are translated into the functional currency (Uganda shilling) using the exchange rates prevailing at the date of transaction. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end are recognised in the Income and expenditure account as other incomes which is used to meet the organisation's objective and in accordance to the terms in the agreement with the donor.

NOTES TO THE FINANCIAL STATEMENTS-Continued...**11. Country of incorporation and registered office**

The organisation is incorporated in Uganda under the Ugandan Companies Act 2012. and domicile in Uganda.

The address of its registered office

Plot 12 Luwum Street, City Centre Complex, suite 9 First Floor

12. Financial reporting period

The financial reporting period is a twelve months' period to 31 December, 2024.

13. Reporting currency

The reporting currency is in Uganda shillings (UGX).

14. Contingencies

In the opinion of the Directors, the organisation did not have any contingent liabilities as at 31st December, 2024.

15. Events after the reporting period

The Board is not aware of any post year end items that require amendment or adjustment to the financial statements as at the date of this report.

Annexure

BRAVO SHOES COMMUNITY SUPPORT: STRATEGIC PROGRAMS

Bravo Shoes Community Support is dedicated to identifying and assisting the most marginalized and vulnerable families, aiming to uplift their socio-economic status through targeted interventions. The organization meticulously identifies the "poorest of the poor" and those in dire need, providing them with essential guidance and material support tailored to their specific needs. This assistance encompasses a range of resources and services aimed at addressing the multifaceted challenges these families face.

BSCS goes beyond initial interventions by maintaining ongoing engagement with these families and children. Through follow-up visits and regular monitoring, the organization tracks progress in their quality of life and overall socio-economic conditions. This sustained support ensures that the beneficiaries continue to receive the necessary assistance and guidance to facilitate long-term improvements in their circumstances.

To achieve these objectives effectively, BSCS has developed and implemented a series of specialized programs designed to address the unique needs of the communities it serves. These programs are carefully tailored to target key areas of concern, offering comprehensive support and resources to empower individuals and families to overcome socio-economic barriers and build a more sustainable future.

BSCS EDUCATIONAL PROGRAM FOR CHILDREN

In Uganda, a significant number of children face early departure from school, depriving them of essential skills vital for societal integration. This educational shortfall often correlates with heightened risks of involvement in detrimental activities like drug

BRAVO SHOES COMMUNITY SUPPORT: STRATEGIC PROGRAMS

abuse and gang affiliation. Education emerges as the linchpin for disrupting the pervasive cycle of poverty, exerting a transformative influence across societal domains. It equips individuals with the acumen to make informed decisions concerning their progeny, livelihoods, and overall lifestyle. Education serves as a formidable instrument in advocating for children's rights, imparting awareness to both children and adults regarding the necessity of honoring and safeguarding these rights.

Education imparts citizens with the requisite knowledge, competencies, and self-assurance to chart a path toward a brighter future, fostering their active participation in nation-building endeavors. Nonetheless, myriad challenges impede access to education for vulnerable children, encompassing circumstances such as poverty, familial separation, substance abuse, exposure to sexual exploitation, child labor, societal neglect, and homelessness.

In response, the Bravo Shoes Community Support Organization, through its 'BSCS Educational Program for Children,' steadfastly endeavors to provide a conduit for quality education to underprivileged children in Uganda. This initiative meticulously identifies and supports disadvantaged children, guiding them through enrollment in educational institutions, nurturing their latent talents, and facilitating their career development. Emphasizing girl child education, BSCS underscores the profound impact of education on girls' awareness of their rights, their ability to safeguard their well-being, and their pivotal role as future mothers in ensuring their children's education. By prioritizing the empowerment of girls, BSCS endeavors to cultivate a generation of healthy, educated, and secure individuals, poised to navigate life's challenges with resilience and fortitude.

BRAVO SHOES COMMUNITY SUPPORT: STRATEGIC PROGRAMS

BSCS ECONOMIC EMPOWERMENT PROGRAM FOR NEEDY FAMILIES

The BSCS Economic Empowerment Program for Needy Families addresses the profound challenges faced by parents, particularly single mothers, who grapple with the daunting task of supporting their families amidst educational or skill deficiencies. Often marginalized and stigmatized, these families encounter significant hurdles in accessing stable employment opportunities. Single-parent households, especially those led by mothers, are particularly susceptible to economic vulnerabilities.

Recognizing the critical need for intervention, BSCS extends a lifeline to these struggling parents through its Economic Empowerment Program. Tailored to meet the diverse needs of participants, the program offers comprehensive skills training aimed at equipping individuals with the tools and knowledge necessary to secure a sustainable livelihood. Whether through vocational training in sewing, horticulture, entrepreneurship, or animal husbandry, BSCS empowers parents to cultivate valuable skills essential for income generation.

By fostering economic self-sufficiency, the program not only alleviates immediate financial strain but also cultivates a pathway toward long-term stability for these families. Through acquiring essential skills and education, parents are empowered to generate a stable income, thereby meeting their family's basic needs and affording their children access to education. The program also instills a sense of confidence and self-reliance, enabling participants to navigate life's challenges with resilience and determination.

BRAVO SHOES COMMUNITY SUPPORT: STRATEGIC PROGRAMS

The BSCS Economic Empowerment Program serves as a catalyst for transformative change, uplifting families from the grips of poverty and empowering them to chart a course toward a brighter future. By nurturing economic resilience and self-reliance, the program not only transforms individual lives but also strengthens the fabric of communities, fostering a cycle of empowerment that reverberates across generations.

BSCS HEALTH AND NUTRITION PROGRAM

In Uganda, health and nutrition pose significant challenges across various fronts. Malnutrition remains a pressing issue, notably affecting children under five years old and pregnant women. The prevalence of both undernutrition and overnutrition contributes to stunting, wasting, and underweight conditions among children, alongside a rising incidence of overweight and obesity among adults.

The country grapples with a heavy burden of infectious diseases like malaria, HIV/AIDS, tuberculosis, and diarrheal illnesses, substantially impacting morbidity and mortality rates, particularly among vulnerable demographics.

Maternal and child health indicators display suboptimal outcomes, driven by inadequate access to maternal healthcare services, resulting in elevated maternal mortality rates. Additionally, infant and child mortality rates persist at high levels, partly due to factors such as malnutrition, insufficient healthcare infrastructure, and limited access to clean water and sanitation.

BRAVO SHOES COMMUNITY SUPPORT: STRATEGIC PROGRAMS

Disparities in healthcare infrastructure persist between urban and rural areas, with remote regions lacking access to essential services, including skilled healthcare professionals, medications, and medical equipment.

Non-communicable diseases (NCDs) are emerging as significant health challenges, driven by lifestyle changes, urbanization, and an aging population. However, healthcare systems are primarily focused on managing infectious diseases, posing hurdles in effectively addressing the growing burden of NCDs.

Uganda faces healthcare financing issues, with limited government expenditure necessitating reliance on out-of-pocket payments, hindering access to services, particularly for low-income and marginalized communities.

Moreover, inadequate availability and distribution of healthcare workers, especially in rural areas, impede service delivery and contribute to disparities in healthcare access.

In response, the BSCS Health & Nutrition Program aims to address these challenges by providing relevant information and educational activities for children, teachers, and parents. The program emphasizes the critical role of nutrition in preventing chronic diseases and promoting overall well-being, aiming to empower communities with knowledge for better health outcomes.

BRAVO SHOES COMMUNITY SUPPORT: STRATEGIC PROGRAMS

BSCS EXTENSION ACTIVITIES

Under the umbrella of 'BSCS Extension Activities,' the organization engages in various events and initiatives as deemed necessary to achieve its objectives. These activities are often aligned with significant festivals or occasions that hold cultural, social, or historical importance in Uganda. Among these events are celebrations such as Christmas and New Year, which foster a sense of community and joyous festivities. Additionally, BSCS participates in commemorations like World Brother's Day, which promotes fraternity and solidarity among individuals worldwide.

Moreover, the organization acknowledges the significance of historical events such as Martyr's Day in Namugongo and Heroes Day, which honor the sacrifices and contributions of individuals who have shaped the nation's history. Participation in these commemorations not only pays tribute to the country's heritage but also reinforces the values of resilience, unity, and remembrance within the community.

Through its extension activities, BSCS endeavors to actively engage with the community during these significant occasions, fostering a sense of belonging, unity, and cultural preservation while advancing its overarching objectives of social welfare and community empowerment.
